RE: Remedial Actions at 100-H-56 Waste Site Project
HCRC#: *2013-100-019*
Log No. 013013-02-DOE

Dear Ms. Wright;

Thank you for contacting our department. We have reviewed the revised material you provided for the proposed *Remedial Actions at 100-H-56 Waste Site Project* on the Hanford Site, Benton County, Washington.

We concur with your determination of the Area of Potential Effect (APE) as described and presented in your figures and text. We look forward to receiving the results of the professional archaeological field survey, consultations with concerned tribes, and your Determination of Effect.

We would also appreciate receiving any correspondence or comments from concerned tribes or other parties that you receive as you consult under the requirements of 36CFR800.4(a)(4).

These comments are based on the information available at the time of this review and on behalf of the State Historic Preservation Officer in compliance with the Section 106 of the National Historic Preservation Act, as amended, and its implementing regulations 36CFR800.4.). Should additional information become available, our assessment may be revised.

Thank you for the opportunity to comment and we look forward to receiving the results of your consultation efforts, and further consultations

Sincerely,

RECEIVED
