RE: Construction of 5 Staging & Stockpiling Area Project
HCRC # 2011-100-043
Log No. 040511-11 –DOE

Dear Ms. Conrad;

Thank you for contacting our department. We have reviewed the materials for the proposed Construction of 5 Staging & Stockpiling Area Project at the Hanford Site, Benton County, Washington.

We concur with your determination of the Area of Potential Effect (APE). We look forward to the results of your consultation with the concerned tribes, cultural resources professional on site survey, and your Determination of Effect. Please include the DAHP Log Number in future correspondence.

We would appreciate receiving any correspondence or comments from concerned tribes or other parties that you receive as you consult under the requirements of 36CFR800.4(a)(4).

These comments are based on the information available at the time of this review and on the behalf of the State Historic Preservation Officer in conformance with Section 106 of the National Historic Preservation Act, as amended, and its implementing regulations 36CFR800. Should additional information become available, our assessment may be revised. Thank you for the opportunity to comment and a copy of these comments should be included in subsequent environmental documents.

Sincerely,

RECEIVED
