Dear Mr. Smith and Mr. Lindholm:

Ecology has reviewed your response and enclosures, received on September 27, 2016, (Reference 1). The response included corrective actions for items of non-compliance identified in Ecology's June 30, 2015, inspection of the Double-Shell Tank System/204-AR Waste Unloading Station.

As of September 28, 2016, Ecology determined all areas of non-compliance have been addressed (Reference 2). Ecology may re-inspect your facility to verify that these steps were actually taken, and that your facility remains in compliance.

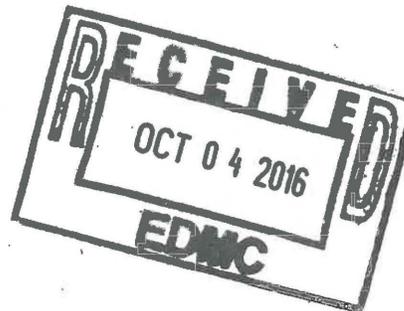

If you have questions or need further information, please contact me at nancy.ware@ecy.wa.gov or (509) 372-7912.

Sincerely,

Nancy Ware
Dangerous Waste Compliance Inspector
Nuclear Waste Program
