RE: 2 Misc. Restoration Debris Items, Sampling et al Project
HCRC # 2011-100-083
Log No.: 110711-02-DOE

Dear Ms. Wright;

Thank you for contacting our Department and providing the professional cultural resources review and associated materials for the proposed *Removal of 2 Miscellaneous Restoration Debris Items, Confirmatory Sampling, and Remediation of Orphan Waste Site 600-385 et al* in the 100-D and 100-H Areas of the Hanford Site, Benton County, Washington.

We concur with your determination of Adverse Effect. We look forward to further consultations and the draft Memorandum of Agreement. Please provide the draft in an unlock Word file.

We also request any correspondence or comments from concerned tribes or other parties that you receive as you consult under the requirements of 36CFR800.4(a)(4).

These comments are based on the information available at the time of this review and on the behalf of the State Historic Preservation Officer in conformance with Section 106 of the National Historic Preservation Act, as amended, and its implementing regulations 36CFR800. Should additional information become available, our assessment may be revised.

Thank you for the opportunity to comment and a copy of these comments should be included in subsequent environmental documents.

Sincerely,

Robert G. Whitlam, Ph.D.
State Archaeologist
