Dear Mr. Corey:

The letter was reissued to correct the document number in the regarding line. The Department of Ecology (Ecology) is extending the comment review period completion date for the referenced documents to March 31, 2016, in accordance with Section 9.2 of the *Hanford Federal Facility Agreement and Consent Order*, 89-10, Revision 8.

Ecology is encouraged by the progress of the comment resolution process. We are hopeful that the United States Department of Energy – Richland Operations Office and Ecology will come to an agreement on the outstanding issues.
