Dear Mr. Corey:

The Department of Ecology (Ecology) agrees to the United States Department of Energy, Richland Operations Office (RL) request to extend the comment period in the referenced document. This extension is in accordance with Section 9.2 of the Hanford Federal Facilities Agreement and Consent Order, 89-10, Rev 8. This will extend the comment period by an additional 90 days to January 20, 2016. This will allow the integration of the Central Plateau Inner Area Principles into the 200-SW-2 documentation. Ecology will continue to work with RL staff to finalize the work plan.

If you have any questions, please contact me at deborah.singleton@ecy.wa.gov or (509) 372-7923.

Sincerely,

Deborah Singleton
