MAY 15 2014

Mr. Russell Jim, Manager
Environmental Restoration/
Waste Management Program
Confederated Tribes and Bands
of the Yakama Nation
2808 Main Street
Union Gap, Washington 98903

Dear Mr. Jim:

PROPOSED PLAN FOR REMEDIATION OF THE 100-DR-1, 100-DR-2, 100-HR-1,
100-HR-2, 100-HR-3, OPERABLE UNITS, DOE/RL-2011-111, DRAFT A

This letter is in response to your February 12, 2014, comments on the Proposed Plan for Remediation of the 100-DR-1, 100-DR-2, 100-HR-1, 100-HR-2, and 100-HR-3, Operable Units, DOE/RL-2011-111, Draft A. The U.S. Department of Energy Richland Operations Office is currently in the process of addressing comments received from the State of Washington, Department of Ecology (Ecology). We are working with Ecology to resolve their comments. While recognizing that the Yakama Nation has concerns with the current draft documents, as we work with Ecology to resolve their comments, the agencies will be considering your comments and concerns. We hope to have all comments resolved and be able to issue revised documents for public comment by late Fall 2014.

If you have any questions, please contact me or your staff may contact Briant Charboneau, of my staff, on (509) 373-6137.

Sincerely,

A handwritten signature in black ink, appearing to read "Ray J Corey".

Ray J Corey, Assistant Manager
for the River and Plateau
