On January 15, 2014, the U.S. Department of Energy Richland Operations Office (RL) requested an additional 90-day extension to April 8, 2014, to continue addressing the State of Washington Department of Ecology (Ecology) comments on the subject documents. RL and Ecology staff are continuing to resolve the comments with approximately 94 percent of comments resolved.

RL is requesting a 90-day extension to July 7, 2014, to complete the resolution of the remaining comments, and prepare a Draft Working Revision 0. This extension request has been discussed with Nina Menard of your staff. Please advise RL as soon as possible if there are any concerns with this request for extension.

If you have any questions, please contact me, or your staff may contact Briant Charboneau, of my staff, on (509) 376-6137.

Sincerely,
