Basis for Reclassification:

(For closeout, reference supporting documentation, as listed in Table 3.)

In September 2004, all the material inside the chain link fence was removed. All radiological postings were removed. The chain link fence was also removed. Nothing remains at this location.

This site was originally reclassified to "No Action" on 12/9/2004. It is requested that the reclassification status be re-evaluated to a status of "Rejected". The Rejected status will preclude carrying the site forward through the CERCLA process.
