Dear Mr. McCormick,

The Yakama Nation ERWM Program appreciates the opportunity to review and provide comments on the *RIVER CORRIDOR BASELINE RISK ASSESSMENT, VOLUME II: HUMAN HEALTH RISK ASSESSMENT, DOE/RL-2007-21, DRAFT C*. However, given the nature and importance of the document, the Richland staff of the YN ER/WM will review what may be submitted by February 28, 2011, the most recent deadline affirmed by Nick Ceto, in case any additional comments may be included, so are requesting an extension of the review period to April 5, 2011.

The Yakama Nation ERWM Program looks forward dialog on our concerns and comments. If you have any questions, please contact Russell Jim at (509) 945-6741, or Wade Riggsbee at (509)945-6756.

Sincerely,

Russell Jim, Manager
Yakama Nation
