Dear Mr. Corey:

The Department of Ecology (Ecology) approves USDOE-RL's request for an additional extension for the comment response and plan for document update period for the referenced documents to April 8, 2014, in accordance with Section 9.2 of the *Hanford Federal Facility Agreement and Consent Order*, 89-10, Revision 8. Ecology is encouraged by the progress of the comment resolution process and is hopeful that USDOE-RL and Ecology will come to an agreement on the remaining outstanding issues.
