Mr. Briant Charboneau, Federal Project Director
Richland Operations Office
United States Department of Energy
PO Box 550, MSIN: A5-11
Richland, Washington 99352

Re: *Hanford Federal Facility Agreement and Consent Order* (HFFACO) Extension of Review Period, Milestone M-037-02 "Submit Revised Closure Plans to Support TSD Closure for five (5) TSD Units: 207-A-South Retention Basin, 216-A-29 Ditch, 216-A-36B Crib, 216-A-37-1 Crib and 216-B-63 Trench."

Dear Mr. Charboneau:

This letter provides notice to the United States Department of Energy (USDOE) that Ecology extends the comment period for the referenced five closure plans by 60 days.

HFFACO Action Plan, Section 9.2.2, "Part B Permit Applications and Closure/Postclosure Plans" states:

"It is understood by the parties that in many cases the lead regulatory agency will extend the comment period for a specified period of time to accommodate the complexity and size of the document."

Ecology expects to transmit comments to USDOE by December 9, 2014.

If you have any questions, please contact me at nina.menard@ecy.wa.gov or (509) 372-7941, or Mign Walmsley, Environmental Specialist, at mign.walmsley@ecy.wa.gov or (509) 372-7938.

Sincerely,

Nina M. Menard
Environmental Restoration Project Manager
Nuclear Waste Program
