Re: Dangerous Waste Compliance Inspection on August 19, 2014 at the B Plant Complex,  
RCRA Site ID: WA7890008967, NWP Compliance Index No.: 14.502

Dear Ms. Charboneau and Mr. Ciucci:

Thank you for your time during the inspection to determine compliance with the Washington State Dangerous Waste Regulations (Chapter 173-303 Washington Administrative Code). These regulations establish a system for safe and responsible management of dangerous waste.

Several areas did not comply with the Dangerous Waste Regulations at the B Plant Complex. These areas are listed in the enclosed Compliance Report. To correct them, complete the actions listed in the enclosed Compliance Certificate and within the specified timeframes. In addition, a list of concerns are included in the Compliance Report.

Failure to correct the violations may result in an administrative order, a penalty, or both, as provided by the Hazardous Waste Management Act (Revised Code of Washington 70.105.080 and .095). Persons who fail to comply with any provision of this chapter are subject to penalties of up to \$10,000 per day per violation.

Complete and submit the Compliance Certificate, along with any requested documentation, to Edward Holbrook at 3100 Port of Benton Boulevard, Richland, WA 99354 by the specified timeframes.

If you have questions or need further information, please contact me at [edward.holbrook@ecy.wa.gov](mailto:edward.holbrook@ecy.wa.gov) or (509) 372-7909.

Sincerely,

  
Edward Holbrook  
Dangerous Waste Compliance Inspector  
Nuclear Waste Program
