Re: Incorporation of 24590-WTP-PCN-ENV-16-003, Class 1 Modification to the *Hanford Facility Resource Conservation and Recovery Act Permit, Dangerous Waste Portion, Revision 8C, for the Treatment, Storage, and Disposal of Dangerous Waste*, Part III, Operating Unit 10, Waste Treatment and Immobilization Plant (WTP Permit) WA7890008967

Reference: See page 2

Dear Mr. Smith and Ms. McCullough:

The Department of Ecology will incorporate the referenced Class 1 Modification into the WTP Permit. Our concurrence is on the enclosed Hanford Facility RCRA Permit Modification Notification Form.

This modification provides the updated Chapter 11 Closure Plan. This is listed on the enclosure and replaces the corresponding Addendum H Closure Plan in the WTP Permit.

Three figures in the updated Chapter 11 Closure Plan still refer to Addendum H. Figures 11-2, 11-3, and 11-4 will be updated with 24590-BOF-PCN-ENV-15-002, Class 3 Permit Modification.

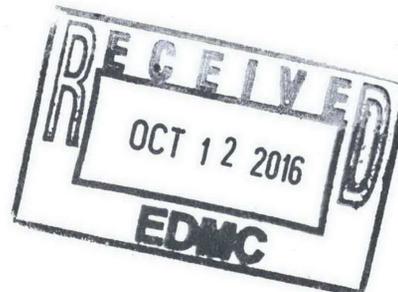

If there are any questions, please contact Annette Carlson, WTP Permit Coordinator, at [annette.carlson@ecy.wa.gov](mailto:annette.carlson@ecy.wa.gov) or (509) 372-7897.

Sincerely,

Suzanne Dahl  
Dangerous Waste Permit Manager  
Nuclear Waste Program

<b>Hanford Facility RCRA Permit Modification Notification Form</b>	
Unit: <b>Waste Treatment and Immobilization Plant</b>	Permit Part: <b>Part III, Operating Unit 10</b>

**Description of Modification:**  
 The purpose of this Class 1 modification is to request that Ecology make editorial corrections to the Dangerous Waste Permit (DWP) Closure Plan by striking all language and references to "...addenda..." "...addendum...", and replacing that language and references to "...chapter...". Also, a request for editorial changes to the Table of Contents, Figures, Tables, and Sections, and Subsections to revise references to "...H..." and replace with "...11...".  
 These revisions will change the current closure plan designation from "Addendum H Closure Plan" to "Chapter 11 Closure Plan".
