TWRS EIS COMMUNICATION RECORD

Date of meeting or telephone conversation
12 OCT 1995

Participants or Attendees (with organization):
Charlie Doherty, ICFKH, planning
376 6639

Subject(s) Discussed/Summary of Discussions:

Roger Jacob referred me to Charlie for information regarding BLM lands on Hanford.
There are BLM lands still on Hanford
These occur in a checker board pattern at various locations around the Site
BLM authorization would be needed before allowing private developers to use lands in BLM ownership.
There are no BLM lands involved at TWRS but, there probably are at McGee and Vermita.
Charlie will provide a map if needed. *Map attached.*

Issues/Concerns Identified (Unresolved questions):
None

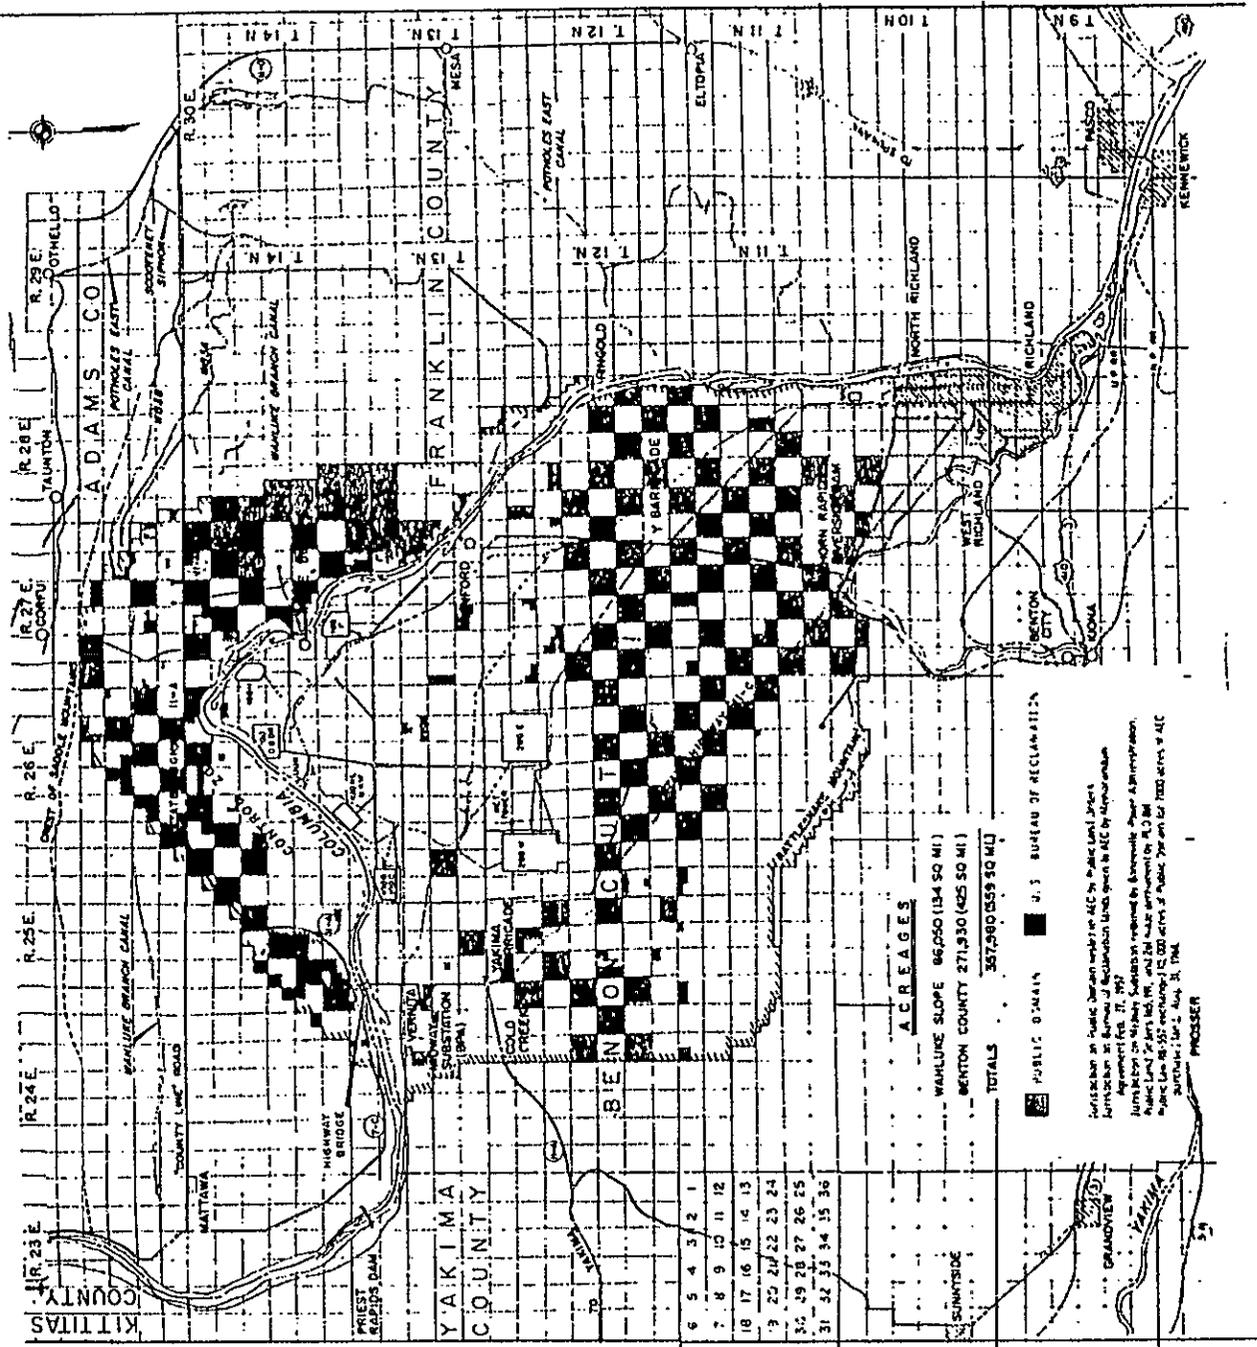

Required actions:
Determine if the ownership map is needed. *Map attached*
Obtain a copy from Charlie if so.
