ORGANIZATION: City of West Richland

Subject(s) Discussed/Summary of Discussions:

The city plan has not been released as yet. Several months behind schedule. There is still little in the plan that would effect land use issues at the Hanford Site.

West Richland fire protection is dependent on volunteers. The city has grown from 4500 to 6500 in two years. Response times are slow. Right now the city could use paid fire fighters. Additional growth will emphasize that need.

Police coverage for the city is adequate. Any additional growth will require the addition of more officers.
