Re: 200-BP-1 Operable Unit Proposed Plan Review

Dear Mr. Wilkinson:

A letter was sent to you on January 5, 1995 from a member of my staff requesting comment on the 200-BP-1 Operable Unit (OU) Proposed Plan. It is now April 10, 1995 and the U.S. Environmental Protection Agency (EPA) has not received formal comments from the Confederated Tribes of the Umatilla Indian Reservation (CTUIR). Paul Beaver of my staff has held several telephone conversations with members of your staff in an attempt to solicit comments. Since EPA has not received formal comment(s) on the 200-BP-1 OU Proposed Plan, the three parties are proceeding with the public comment cycle on the 200-BP-1 OU Proposed Plan.

If you have any questions or concerns, please contact Paul Beaver of my staff at (509) 376-8665 or myself at (509) 376-9529.

Sincerely

Douglas R. Sherwood
