Redline strike out changes have been received by WHC (ZC Knaus) from GSSC (JK Bartz) but are still lacking from Ecology (SE McKinney). Ecology took an action item to provide redline strike changes to WHC (ZC Knaus) during the first week of October 1994.

4. New Business

- Availability of RCRA Closure funding during F.Y. 1995

Ecology (SE Mckinney) expressed concern over the availability of RCRA Closure funding for 105-DR LSFF during fiscal year 1995. WHC (ZC Knaus) stated that he would report back on funding during the October UMM.

- Status of Logbook for discharges to 116-DR-8 Crib

Ecology (SE Mckinney) asked the status of locating the logbook for the 116-DR-8 Crib. He is hoping to use the logbook to show that the crib hasn't been used for dangerous waste discharges. If this is true he is interested in pursuing the possibilities of removing the crib from the unit. WHC (ZC Knaus) stated that he will do some checking into what records are available at this time and what discharges the crib has received.
