REPLY TO
ATTN OF: EM-35

SUBJECT: Approval of the Implementation Plan for the Tank Waste Remediation System
Environmental Impact Statement

TO: Manager, Richland Operations Office

I approve the subject Implementation Plan for the Tank Waste Remediation System Environmental Impact Statement (TWRS-EIS).

I understand that approval of the TWRS-EIS and its subsequent Record of Decision, directly affects our ability to issue a privatization contract in August 1996. You should provide the appropriate emphasis and resources to your staff to insure these actions remain coordinated and that they remain on schedule.

If you have any questions about this matter, please call Mr. Stephen Cowan at 202-585-0370, or Maureen Hunemuller at 301-903-7180.
