Video Teleconference
Federal Building, Room 784B
Richland, Washington

Video Teleconference Held February 23, 1994
3:00 PM - 4:00 PM

Summary of Discussion and Commitments/Agreements

1. Approval of Past UMM Minutes.

The Ecology Unit Manager indicated that he had received and concurred with the January UMM minutes as presented (FAXed). January UMM minutes were signed by the RL Unit Manager.

2. Status of Action Items
- NONE

3. Status Closure Activities
- Data Evaluation Report

WHC (Mr. S. N. Luke) reported that RCRA Closures had recently forwarded the data evaluation report [WHC-SD-EN-TI-242, Rev. 0, 2727-S Nonradioactive Dangerous Waste Facility Clean Closure Evaluation Report] to WHC's newly acquired toxicologist, Jan Hulla, for her review. RCRA Closures wanted to involve her in the review of this report, particularly regarding report conclusions. Her review was not expected to delay WHC's transmittal of the report for RL review/concurrence by more than a week. Upon obtaining RL's concurrence, the report will be submitted to Ecology.

- Closure Plan, Revision 3A, Page Changes

WHC (Mr. S. N. Luke) asked if Ecology had received its copy of Revision 3A page changes that had recently been distributed to regulators and other plan copy holders. Ecology (Mr. R. E. Cordts) responded that Ecology, Lacey had not. WHC (Luke) indicated that 4 copies of the page changes with the original November 15, 1993 transmittal letter were in the process of being retransmitted to Ecology by RL.

4. New Business:

None

5. Set Next Meeting Date

It was determined that there would be no 2727-S NRDWS Facility UMM in March. The next Unit Managers Meeting was scheduled for April 1, 1994, as a video teleconference at the Federal Building in Richland.
