Subject: 219-S Overflow Ecology letter

----- Message Contents -----

This afternoon, WHC Legal, Facility Compliance, Regulatory Analysis, and 222-S Personnel will meet to discuss responses to Ecology's compliance concerns with the 219-S Waste Handling Facility overflow to secondary containment.

It is intended to transmit the letter to RL by close of business Monday Feb. 10, 1992 as planned. The required transmittal date to Ecology remains close of business Monday Feb. 17, 1992.
