Change Title
 Change the due date of the Hanford Federal Facility Agreement and Consent Order (Tri-Party Agreement) Milestone, M-13-07, "Submit *Integrated 200-BP-11 Operable Unit and 216-B-3 Main Pond Work/Closure Plan* to Ecology and EPA."

Description/Justification of Change
 The M-13-07 Milestone due date of April 1994 for the submittal of the *Integrated 200-BP-11 Operable Unit and 216-B-3 Main Pond Work/Closure Plan* to the Regulators was approved on August 3, 1993 per Tri-Party Agreement Change Control Form M-13-93-01/C-93-07. Because integration of a work plan and closure plan has never been performed at the Hanford Site, meetings are being held between the DOE, Ecology, EPA, and WHC to discuss data quality objectives (DQOs) and the sampling and analysis plan for the 200-BP-11 Operable Unit. These meetings are more comprehensive and time consuming than originally planned and therefore are affecting the original schedule for completion of the work/closure plan. Based upon an expected completion date of March 31, 1994 for the DQO process, the M-13-07 milestone due date is changed to September 1994.

Impact of Change
 This Change impacts only the due date for the submittal of the *Integrated 200-BP-11 Operable Unit and 216-B-3 Main Pond Work/Closure Plan*.

Affected Documents
 Hanford Federal Facility Agreement and Consent Order, Appendix D (Work Schedule).
