Unit Managers' Meeting

Meeting Held December 14, 1993  
From 8:00 to 9:00 a.m.

Summary of Discussion and Commitments/Agreements

1. Approval of Past UMM Minutes

The November 10, 1993, Unit Managers' Meeting Minutes were reviewed and signed by the Unit Managers.

2. Status Action Items

- No Open Action Items

3. Status Closure Activities

- Status Revision 2 Review

The closure plan has not been forwarded to the Ecology-Lacey Office yet. There was a short general discussion lead by RL (R. G. McLeod) about the pressure from the U.S. Department of Energy, Headquarters to make progress on Resource Conservation and Recovery Act (RCRA) closures and a movement by the Office of Management and Budget to stop funding the RCRA budget. There is the concern that with more closure plans being produced than being finalized, the problem will continue to get worse. RL (R. G. McLeod) stated that closure plans need to stop being produced or that some agreements need to be arrived at in finalizing them quicker.

4. New Business

There was no new business.

5. Set Next Meeting Date

The next meeting was set for January 12, 1994, in Richland, Washington.
