2. Status Action Items:

-No Open Action Items

There was no discussion.

3. Status Closure Activities:

-Status Extension Request

RL received a letter of concurrence regarding the extension request from Ecology, June 16, 1993.

4. New business:

Ecology (J. J. Wallace) stated that Ecology RCRA Permit Section has a new supervisor, (Moses Jaraysi). A new permit writer has just been hired and therefore some additional shuffling of responsibilities may occur.

WHC (B. J. Broomfield-Solid Waste Disposal) stated that WHC Solid Waste Disposal Division will have funds available at the end of the fiscal year for sampling and that they are considering sampling all of the demolition sites. She asked about Ecology's concerns with the sampling plans. Ecology (J. J. Wallace) stated that there were concerns over the adequacy of the Mobile Lab's QA/QC. Ecology's chemists believe that the PQL's (listed in HPADS closure plan) are inappropriate. Ecology (C. O. Ruud) stated they do not have a problem with field screening as long as it is known up front if it will be the only sampling or if additional sampling will follow. Ecology (J. J. Wallace) stated that they wanted to be present for sampling and asked to be notified. WHC (B. J. Broomfield) said they would be notified.

5. Set new meeting date:
