YOUR COMMENTS ARE WANTED ON THE 1100 AREA PROPOSED PLAN FOR CLEANUP

The U.S. Environmental Protection Agency, U.S. Department of Energy, and the Washington State Department of Ecology invite you to comment on the **1100 Area Proposed Plan** to clean up areas on the 1100 Area Superfund Site at Hanford.

**The public comment period begins
May 24 and ends July 9.**

There will be a public meeting in Richland, Washington to gather comments on this proposed plan.

**Wednesday, June 30
Richland Public Library
955 Northgate Library
Doris Roberts Gallery
7:00 to 9:00 p.m.**

The plan outlines cleanup activities for excavation and offsite disposal of contaminated soils and debris from four areas on the Hanford Site. In addition, the Horn Rapids Landfill would be capped and area groundwater monitored to ensure there are no adverse impacts to drinking water supplies.

If you would like a copy of the 1100 Area Proposed Plan, visit the Information Repository listed below, or call the Hanford Cleanup toll-free line at 1-800-321-2008.
