Dear Mr. Foley:

The U.S. Environmental Protection Agency requests a 30-day extension in the review of the proposed plan (PP) and feasibility study (FS) for the 200-CW-5/2/4/SC-1 operable unit group. Our priorities have been focused on the Canyon Disposition Initiative PP and FS and the U-Plant Ancillary Facilities Action Memorandum and enabling documents. Now that those projects are well on their way, we will focus on 200-CW-5.

If you have any questions, please call me at 509 376-8665.

Sincerely,

Craig Cameron
Project Manager
