Change Title
 Update to Hanford Federal Facility Agreement and Consent Order (Tri-Party Agreement), as amended, Action Plan Appendix C

Description/Justification of Change

The TPA Action Plan Appendix C contains the official list of waste management units to be remediated in accordance with the Hanford Federal Facility Agreement and Consent Order (Tri-Party Agreement [TPA]). The three parties have requested that the Appendix C be updated to reflect the current listing and status of waste management units maintained in the Waste Information Data System (WIDS), the electronic database used by the Tri-Parties to catalogue all waste management units at the Hanford Site. The waste management units in the 300-FF-2 operable unit have been reviewed in accordance with TPA Handbook Management Procedure TPA-MP-14. This Appendix C update incorporates the results of the 300-FF-2 evaluation. The update also incorporates information for waste management units in other areas at which remedial activities have been completed since the Appendix C was last revised.

[Description/Justification of Change is continued on Page 2]

Impact of Change

This is an administrative change only. No TPA Milestones or documents (other than the Tri-Party Agreement, as noted below) will be impacted by this change.
