Also enclosed is the Fact Sheet for the Permit.

In response to the passage of Initiative 97, Ecology adopted a Wastewater Discharge Permit Fee (Chapter 173-224 of the Washington Administrative Code). You will be receiving periodic bills for your Permit from Ecology's Lacey office.

Submission of an application for permit renewal or continued discharge must be received by Ecology no later than 180 days prior to your Permit expiration date (see General Condition G7 of the Permit). Please contact the Ecology Water Quality Permit Coordinator for an application form.

This Permit can be appealed. Your appeal must be filed with the Pollution Control Hearings Board, P.O. Box 40903, Olympia, Washington 98504-0903, within thirty (30) days of the receipt of the Permit. At the same time, your appeal must be sent to the Department of Ecology, c/o Enforcement Officer, P.O. Box 47600, Olympia, Washington 98504-7600, and to Ecology's Nuclear Waste Program, 1315 West Fourth Avenue, Kennewick, Washington 99336-6018. The notice of appeal must contain a copy of the order or decision being appealed, and if the order or decision followed an application, a copy of the application. Your appeal alone will not stay the effectiveness of this Permit. Stay requests must be submitted in accordance with RCW 43.21B.320. These procedures are consistent with Chapter 43.21B RCW.
