Dear Ms. Hedges:

**TRANSMITTAL OF INTERIM ACTION WASTE MANAGEMENT PLANS**

Attached are the Interim Action Waste Management Plans for the 100-NR-2 Operable Unit, DOE/RL 2000-41, Rev. 1 and the Interim Action Waste Management Plan for the 200-UP-1 Operable Unit, DOE/RL 2000-51, Rev. 0 for your information. These waste management plans establish the requirements for the management and disposal of waste associated with the interim actions at the respective operable units.

The 100-NR-2 Plan was revised to incorporate wells into Appendix A that were inadvertently omitted in the Rev. 0 version of the document. The 200-UP-1 Plan incorporates informal comments provided by the State of Washington Department of Ecology.

If you have any questions, please contact me at (509) 373-9631.

Sincerely,

Arlene C. Tortoso, Project Manager  
 Environmental Restoration Division
