Mr. Michael A. Wilson, Program Manager
Nuclear Waste Program
State of Washington
Department of Ecology
1315 W. Fourth Avenue
Kennewick, Washington 99336

RECEIVED
AUG 20 2001

EDMC

Dear Mr. Wilson:

NOTICE OF DISPOSITION UPON APPLICATION FOR RELIEF FROM PENALTY
NUMBER 01NWPKW-2467, DATED JULY 26, 2001, FROM THE STATE OF
WASHINGTON DEPARTMENT OF ECOLOGY (ECOLOGY)

- References: (1) Ecology ltr. to K. Klein, RL, and K. Thompson, FHI, from B. Wilson,
Ecology, "Letter sent dated July, 26, 2001," dtd. July 30, 2001. 55259
- (2) Ecology ltr. to K. Klein, RL, and K. Thompson, FHI, from B. Wilson,
Ecology, dtd. July 26, 2001. ✓

On July 27, 2001, the U.S. Department of Energy, Richland Operations Office (RL) and Fluor Hanford, Inc. (FHI) received the Notice of Disposition dated July 26, 2001. The second page started with an incomplete sentence. The enclosures to the letter only contained the odd number pages. A phone call was placed on July 31, 2001, requesting the missing information from Robert Wilson, Compliance Specialist. This letter serves to document the verbal request. Mr. Wilson informed RL that he would fax the missing information. He stated that the information was immaterial and that the date of July 26, 2001, would not change. He did say that he would reissue the letter.

On August 1, 2001, RL and FHI received the reissued letter. It is RL's position that the 30-day clock starts on August 1, 2001. RL believes that the missing information was needed in order to make informed decisions.

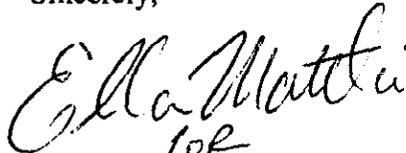

Mr. Michael A. Wilson
01-RCA-401
