<b>Document Number/Title:</b> DOE/RL-99-24, Rev 0, <i>Surveillance and Maintenance Plan for the 221-B Facility</i>		<b>Date Document Last Issued:</b> April 1999
<b>Originator:</b> Stuart Kretzschmar		<b>Phone:</b> 373-5941
<b>Summary Discussion:</b> Currently, surveillances to the 221-B facility as identified in DOE/RL-99-24, <i>Surveillance and Maintenance Plan for the 221-B Facility (B Plant)</i> , are conducted on a quarterly basis, while the 221-B canyon is not entered for other than roof inspections on a yearly basis. The changes consist of revising the surveillance and maintenance (S&M) plan to reflect the change from quarterly to annual surveillance for the areas other than the canyon. The 221-B canyon will continue to be entered only for roof inspections on a yearly basis.  The quarterly surveillances performed over the past years have provided extensive information about the 221-B Facility (less the canyon). These areas have been surveyed on a quarterly basis for several years, and there is a sufficient body of data to show that no contamination spread has occurred or is expected to occur. In addition, the exhaust fans were inoperable from September of 1999 through July of 2000. During this time sufficient data was collected to show that no contamination spread occurred. Therefore, it is requested that the surveillance frequency be changed from quarterly to annual.		
<b>Justification and Impact of Change:</b> With this request, minor changes need to be made to the existing S&M plan for the 221-B Facility (DOE/RL-99-24). These changes are documented below:  1. Section 2.3.2, Title. Change the title from "Quarterly and Annual Surveillance" to "Annual Surveillance" 2. Section 2.3.2, first paragraph. Change the first sentence from "Quarterly surveillance of the B Plant facilities is necessary..." to "Annual surveillance of the B Plant facilities is necessary..." 3. Section 2.3.2, second paragraph. Change first sentence from "Quarterly surveillance of the B Plant consists of a walk through of the Case 1..." to "Annual surveillance of the B Plant consists of a walk through of the Case 1..." 4. Section 11.0. Change table 11-1 as follows:
