Dear Mr. Hebdon:

The U.S. Environmental Protection Agency (EPA) has reviewed the 200-MW-1 Miscellaneous Waste Group Operable Unit change request M-015-01-04. Unfortunately, we had to disapprove the request as the change control form contained language that was not updated after the Central Plateau change packages were signed. Please update the form and send it through the approval process.

The disapproved form enclosed. If you have any questions, please contact Craig Cameron at 376-8665.

Sincerely,

Laurence E. Gadbois
