These documents were required to be submitted to the State of Washington Department of Ecology by May 31, 2006, to complete Tri-Party Agreement interim milestone M-015-43C. Ecology has 45 days following receipt of the documents to either approve or return comments to the U.S. Department of Energy, Richland Operations Office. The review is scheduled for completion by July 15, 2006, and we would request to receive your comments, if any, on or before that date.

If you have any questions, please contact me, or you may contact Larry Romine, of my staff, on (509) 376-4747.

Sincerely,

Matthew S. McCormick, Assistant Manager
for the Central Plateau
