DEPARTMENT OF NATURAL RESOURCES LAND LEASE MONITORING REPORT
FOR NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM PERMIT
NO. WA 002591-7 OUTFALL 001 – NOVEMBER 2007

The purpose of this letter is to forward for your review, the attached 300 Area Treated Effluent Disposal Facility, Department of Natural Resources monitoring data, as required by Aquatic Lands Sewer Outfall Lease 20-013357. The monitoring data for radionuclides present in the effluent are provided in the attached tables. The data indicate that all values monitored are well below State guidelines. Reporting of the sample results are provided and transmitted to the Washington State Department of Health, according to Exhibit C of the lease. This report covers the reporting period from October 23, 2007, through November 27, 2007.

If you have any questions, please contact me, or you may contact Mark French of my staff, on (509) 373-9863.

Sincerely,

Matthew S. McCormick, Assistant Manager
for the Central Plateau
