Mr. David B. Jansen, P.E.
Hanford Project Manager
State of Washington
Department of Ecology
P.O. Box 47600
Olympia, Washington 98504-7600

Dear Messrs. Day and Jansen:

DRAFT A, S PLANT AGGREGATE AREA MANAGEMENT STUDY REPORT (AAMSR)

This letter transmits the Draft A, S Plant AAMSR for review and comment by the U.S. Environmental Protection Agency and State of Washington Department of Ecology. The report fulfills Hanford Federal Facility Agreement and Consent Order interim milestone M-27-04 for submittal of this AAMSR.

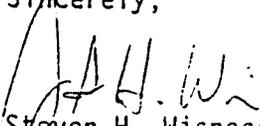

The report was prepared as a secondary document in accordance with the objectives of the Hanford Past Practices Strategy (DOE/RL-91-04) and the methodology and format for the AAMSR presented in AAMSR Chapter 1, which was submitted as interim milestone M-27-01. It represents the third of 10 reports that will be prepared as part of the 200 Area National Priority List AAMS Program.

The U.S. Department of Energy, Richland Field Office (RL) comments are currently being dispositioned and have not been completely incorporated into the text of this document. As a result, RL may require changes to the draft.

Chapter One has been revised to incorporate RL comments. The text has been shaded to denote additions and redlined to denote deletions. Lines have been added to denote text that is generic to all AAMSRs.

If you have any questions, please contact Mr. A. C. Harris at (509) 376-4339.

Sincerely,

Steven H. Wisness
Hanford Project Manager
