Dear Mr. Wisness:

This letter is to formally notify you that I have taken over the position of Unit Manager for the Effluent Treatment Facility (CO18-H) project for the Washington State Department of Ecology. The permit review process as per the Tri-Party Agreement will start on Thursday December 16, 1993. A Notice of Deficiency will be available by April 15, 1994.

I would also like to take this opportunity to thank Mr. Armin Vogt, Westinghouse Hanford Company, for a tour of the CO18-H Facility which was conducted on December 10, 1993. It was a pleasure to discuss with Mr. Vogt the various technical aspects involved in the treatment process. This information transfer is vital for a smooth completion of the permitting process.

If you have any questions or comments, please call me at (509) 736-3018. I look forward to working with you in the future.

Sincerely,

Alex Stone
