

## U.S. Department of Energy Hanford Site

January 8, 2021

21-ESQ-0152

Mr. David Bowen, Program Manager  
Nuclear Waste Program  
Washington State Department of Ecology  
3100 Port of Benton Boulevard  
Richland, Washington 99354

Dear Mr. Bowen:

### CHANGES TO NON-ENFORCEABLE PORTIONS OF THE HANFORD FACILITY RESOURCE CONSERVATION AND RECOVERY ACT PERMIT ATTACHMENT 4A

This letter transmits information to support non-enforceable changes to the Hanford Facility Resource Conservation and Recovery Act Permit, Dangerous Waste Portion for the Treatment, Storage, and Disposal of Dangerous Waste (Permit) Attachment 4A. The attached information is provided per Permit Condition II.A.4.a, which states: “When changes are made to non-enforceable portions of Permit Attachment 4, unit-specific contingency documentation, and/or Attachment 4A, the changes are not required to be documented through a dangerous waste permit modification under WAC 173-303-830 or Permit Condition I.C.3. The Permittee shall provide a copy of the amended documentation to Ecology through a formal letter.”

The attached information pertains to Tables 4A-2 (Building Emergency Directors/Building Wardens for Units not in the Permit) and 4A-3 (Building Emergency Directors/Building Wardens for Central Accumulation Areas and Satellite Accumulation Areas). The U.S. Department of Energy (DOE) and the Washington State Department of Ecology (Ecology) have previously agreed to changes to Tables 4A-2 and 4A-3 are non-enforceable and not subject to Permit modification requirements.

The attached changes are based on permittee reviews of Attachment 4A performed during November 2020. Changes affecting Attachment 4A content that emerge after the November 2020 permittee reviews will be addressed in the next Attachment 4A update package. Please note, pursuant to Permit Condition II.A.4, up-to-date Building Emergency Director/Building Warden information is maintained as described in the unit specific Building Emergency Plans and Facility Response Plans.

DOE and Ecology use identifiers to help track non-enforceable Permit changes. The identifier for the changes herein is NEC-4A-2020-02.

Mr. David Bowen  
21-ESQ-0152
