Mr. Michael A. Wilson, Program Manager
Nuclear Waste Program
State of Washington
Department of Ecology
P.O. Box 47600
Olympia, Washington 98504

Dear Mr. Wilson:

TRANSMITTAL OF HANFORD FEDERAL FACILITY AGREEMENT AND CONSENT ORDER (TRI-PARTY AGREEMENT) CHANGE CONTROL FORM NUMBER M-91-01-02 FOR M-091-12

Attached is the signed Hanford Federal Facility Agreement and Consent Order (Tri-Party Agreement) Change Control Form Number M-91-01-02 for M-091-12. However, on January 12, 2001, the State of Washington Department of Ecology (Ecology) sent the U.S. Department of Energy, Richland Operations Office (RL) a letter notifying them that they had failed to meet the milestone. RL initiated dispute at the Project Manager Level on January 24, 2001. When RL and Ecology signed the attached Change Control Form (M-91-01-02) on March 22, 2001, the parties agreed that the dispute was settled. If you have any questions or need further information, please contact me on (509) 376-9333 or contact Helen E. Bilson, Assistant Manager for Environmental Restoration and Waste Management on (509) 376-6628.

Sincerely,

A handwritten signature in black ink, appearing to read "Clifford E. Clark".

Clifford E. Clark, Acting Program Manager
Office of Regulatory Liaison
