Re: Response to Completion of Milestone M-036-01F – 2016 Hanford Lifecycle Scope,
Schedule and Cost Report – *Hanford Federal Facility Agreement and Consent Order*
(Tri-Party Agreement)

Reference: See page 2

Dear Ms. Charboneau:

The Department of Ecology (Ecology) appreciates the timely receipt of the *2016 Hanford Lifecycle Scope, Schedule and Cost Report* (DOE/RL-2015-10, Rev. 0). The report meets the requirements of M-036-01F.

The Tri-Party Agreement agencies agreed that no cost estimate alternative analysis was necessary for the Federal Fiscal Year 2016 cleanup actions. Ecology finds the report format acceptable and agrees that the U.S. Department of Energy has met the intent of Milestone M-036-01F.

Ecology will review the contents of the 2016 Lifecycle Report and provide comments to Shannon Ortiz by April 17, 2016, separately.

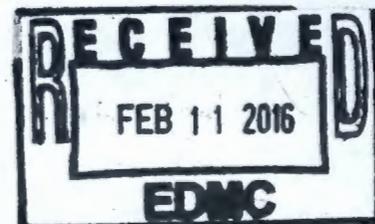

If you have any questions, please contact Melinda J. Brown, Nuclear Waste Program Specialist, at melinda.brown@ecy.wa.gov or (509) 372-7886.

Sincerely,

John B. Price, Manager
Tri-Party Agreement Section
Nuclear Waste Program
