Dear Mr. Holt:

Enclosed is Consent Order No. DE 91NM-177 for Mr. John Wagoner's signature. This Consent Order represents months of negotiations between the Department of Ecology and the Department of Energy on the subject of controlling the discharge of liquid effluents on the Hanford Reservation.

Mr. Wagoner should sign this document as soon as possible and return to me. I will then have Chris Gregoire sign the document making it effective immediately. We will then send you a jointly signed copy for your record.

I would like to personally thank you, and all DOE and contractor staff who participated in the development of this document, and the parallel TPA M-17-00 agreement.

Please call me if you have any questions. I may be reached at (206) 438-7021.

Sincerely,

A handwritten signature in black ink, appearing to read "Timothy L. Nord".
