**Administrative Record Documentation**

**Agreement on Location of Tank Farm Location of Barriers 3, 4**

This document serves as record that the Washington State Department of Ecology and the U.S. Department of Energy, Office of River Protection have reached agreement on the location of tank farm barriers 3 and 4. The text of Tri-Party Agreement Milestone M-045-92, may be modified based on the outcome of discussion for additional barrier milestones, Ecology proposes a larger barrier design for future barriers, including 241-U Tank Farm. This agreement is exclusively for the locations, not the size of the barriers. The parties were to have reached agreement on the locations of barriers 3 and 4 by September 30, 2017, and as of the signing of this document, the parties will have met that commitment.

The location of barrier 3 is jointly agreed to be 241-TX Tank Farm and the location for barrier 4 is jointly agreed to be 241-U Tank Farm.
