Dear Mr. Smith and Mr. Lindholm:

Ecology has reviewed your response letter and enclosures, received on July 26, 2016 (Reference) and records observed on August 18, 2016, and August 25, 2016. This letter and subsequent information shown to Ecology on the dates above, included corrective actions for items of non-compliance identified in Ecology's September 23, 2015 inspection of the 242-A Evaporator. As of August 25, 2016, Ecology has determined all areas of non-compliance have been addressed (1 through 4). Ecology may re-inspect your facility to verify that these steps were actually taken, and that your facility remains in compliance.

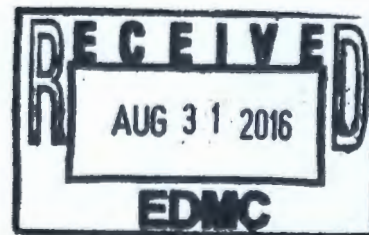

If you have questions or need further information, please contact me at (509) 372-7949 or [jared.mathey@ecy.wa.gov](mailto:jared.mathey@ecy.wa.gov).

Sincerely,

Jared Mathey  
Dangerous Waste Compliance Inspector
