Dear Messrs. Sherwood and Stanley:

MILESTONE M-42-01-T01, "INITIATE DETAILED DESIGN OF THE 200W AREA TANKS" FOR PROJECT W-236A, MULTI-FUNCTION WASTE TANK FACILITY (MWTF)

This letter provides notification that the M-42-01-T01 Target Milestone, due on March 31, 1994, was missed. Difficulties encountered in meeting this milestone were discussed with Mr. Scott McKinney, of the State of Washington, Department of Ecology (Ecology), during the Single-Shell Tank Unit Manager's meeting on March 22, 1994. The U.S. Department of Energy, Richland Operations Office (RL), recognizes the importance of meeting this milestone and is diligently pursuing its completion.

The RL MWTF Project Office will continue to keep Ecology and the U.S. Environmental Protection Agency (EPA) informed of the status of this milestone. As a minimum, the RL Unit Manager will be in communication with the Ecology and EPA Unit Managers on a weekly basis.

Please direct any questions or comments, regarding this correspondence, to Mr. Glenn R. Konzek, of the RL Tank Waste Projects Division, on (509) 376-8399.

Sincerely,

Steven H. Wisness
Steven H. Wisness
Hanford Project Manager
