Dear Mr. Rasmussen:

Re: State Waste Discharge Permit Application for the 183-N Backwash Discharge Pond

The 183-N Backwash Discharge Pond State Waste Discharge Permit Application (DOE-RL-94-23) has been received from the U. S. Department of Energy (USDOE), Richland Operations Office and will be identified as permit number ST 4503. After reviewing the information submitted on the application, USDOE will be assessed an application fee of \$1,992.00, which reflects the following application fee schedule:

Category: Facilities not otherwise classified
Subcategory: 50,000 to less than 100,000 gallons per day

Please return your payment, along with the enclosed notice, in the self-addressed envelope within thirty (30) days. As part of the assessment of your application by the Washington State Department of Ecology, fees must be paid prior to the determination of whether the application is deemed complete. If you do not agree with the application fee assessed your facility, you may file an appeal explaining the basis for your disagreement. Please mail your appeal to Bev Poston, Washington State Department of Ecology, P.O. Box 47696, Olympia, WA 98504-7696.

If you have any questions regarding this letter, please contact me at (509) 736-3011.

Sincerely,
