Dear Mr. Wisness:

As part of our data verification program, during the last quarter of calendar year 1993, we split the sampling of the PUREX main stack (291-A-1). Our data is now available at our laboratory. In order to compare the data, I would like to request all raw data from that stack for the entire last quarter of the year. We would appreciate receiving it within the next month, in time for the preparation of our 1993 Annual Environmental Monitoring Report. We will provide our data to you as soon as we receive it.

Sincerely,

Allen W. Conklin, Head  
Air Emissions and Defense Waste Section  
Division of Radiation Protection
