Thank you for submitting comments on the draft Plutonium Finishing Plant Change Package. Your comments were incorporated into the enclosed comment and response document. The document is available at www2.hanford.gov/ARPIR/ (select "Advanced Search" and type in Accession Number "D9178421") and can also be accessed electronically at the U.S. Department of Energy's Information Repositories.

The Tri-Parties appreciate the time and effort you took to provide input on the proposed changes to the Tri-Party Agreement for the Plutonium Finishing Plant (PFP). The option of tearing down the PFP facility will be reviewed along with other options in a future evaluation. That evaluation will help to determine the final disposition of the PFP. A more detailed response to your comments and suggestions is provided in the enclosed document.
