Subject: RE: Chromium toxicity Study

Hi Astrid,

We have comments on the Chromium Toxicity Study that are being finalized, however we will not be able to make the Nov 30th deadline due to the Thanksgiving holiday. We will be sending the comments under Regional Director signature on Monday or Tuesday of next week and we request that you accept them after the due date.

Thank You

 Subject: Chromium toxicity Study

Astrid,

Can you send me your mailing address so I can send you Fish and Wildlife Service comments on the Dauble et al. ,PNNL report " Evaluation of the effects..... Recent Toxicity Test Results", due Nov 30 th.

Thank You

Tom O'Brien
