Dear Messrs. Day and Stanley:

UNIT MANAGERS LISTING AND OTHER ASSIGNMENTS OF RESPONSIBILITY

I am proposing that we update the Unit Managers List and other Assignment List. Attached are the proposed updates, reflecting changes for the U. S. Department of Energy, Richland Operations Office and its contractors.

Note that no new treatment, storage and disposal (TSD) groups or operable units have been added at this time. There are some that will need to be added by June.

Please review and provide any changes to me on (509) 376-6798 or to Mr. A. L. Mize of Westinghouse Hanford Company on (509) 376-0543.

Sincerely,

Steven H. Wisness
