Re: State Waste Discharge Permit Renewal Application - Permit No. ST0004502 – 200 Area
Treated Effluent Disposal Facility

Dear Mr. Smith:

Thank you for submitting the application for renewal of State Waste Discharge Permit Number ST0004502 for the 200 Area Treated Effluent Disposal Facility. This letter is to confirm that the Department of Ecology (Ecology) received the application for renewal on June 28, 2016.

Ecology will review the application and supplementary materials for completeness and accuracy. If it is incomplete, you may be asked to submit additional information. Ecology will only accept the application after it has been determined to be sufficiently complete.

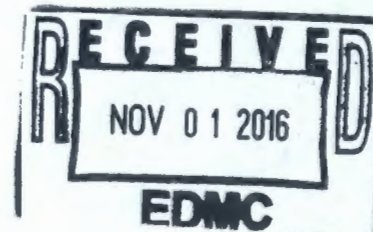

Please contact Katie Wilson at katie.wilson@ecy.wa.gov or (509) 372-7885 if you have any questions about our review of the application or the permitting process.

Sincerely,

Ron Skinnarland
Waste Management Section Manager
Nuclear Waste Program
