Dear Brian T. Vance and Ty Blackford:

Ecology has reviewed your response letter and enclosures received on October 28, 2020 (reference) and e-mail received on December 14, 2020. Your e-mail included corrective actions for items of non-compliance identified in Ecology's inspections of the dangerous waste management unit groups below.

- 20.697 - Central Waste Complex - Inspected March 31, 2020
- 20.698 - Waste Receiving and Processing Facility - Inspected March 31, 2020

Area of non-compliance one has not been adequately addressed. From reviewing your response, you indicated the following:

- Sasa Kosjerina completed Course 300222 on September 22, 2020 and Course 300988 on October 14, 2020
- Ashley Olsen completed Courses 300222 and 300988 on October 14, 2020.

Training records showing that Mr. Kosjerina and Ms. Olsen took the above referenced training courses were not provided. Within 30 days of receipt of this letter, provide training records showing that Mr. Kosjerina and Ms. Olsen took the above referenced trainings required for Shift Duty Officers.

Not correcting areas of non-compliance may result in an escalation of enforcement and the issuance of an administrative order, a penalty (up to \$10,000 per day, per violation), or both, as provided by the Hazardous Waste Management Act Revised Code of Washington (RCW) 70.105.080 and/or .095).
